

YOUR TRUSTED PAYROLL BUREAU PARTNER

Our payroll service guarantees compliance, precision, and timely processing. We handle the complexities of payroll for you, allowing you to focus on your business while enjoying peace of mind. Managing payroll can strain your budget and resources, particularly if errors arise, so we act as an extension of your team, resulting in significant cost savings for your business.

GET OUR SERVICE

PAYROLL PROCESSING

Your payroll will be handled using cloud-based payroll software that is accredited by HMRC.

PENSION AUTO ENROLMENT

Manages deductions and reporting through API integration or CSV file exports.

STATUTORY PAYMENTS

Provides support and calculations for SSP, SMP, SAP, SPP, ShPP, and AOE's.

HOLIDAY PAY

Accumulated over hours or days, ledger reports are accessible for tracking purposes.

PRE PAYROLL DATA VALIDATION

Assists in reducing input mistakes and highlights payroll alerts such as National Minimum Wage and tax rebates.

POST PAYROLL REPORTS

Contains BACS payment files along with summaries of payments and deductions.

RTI - CODING NOTICES

Connects HMRC payroll instructions directly to the payroll system, including tax codes, student loans, and more.

RTI - FPS & EPS SUBMISSIONS

The payroll data is submitted directly to HMRC for reporting.

ONLINE EMPLOYEE PORTAL

Your payslips will be accessible here and can also be sent to you through email.

DOCUMENT HOSTING

The online portal allows you to store your employee documents, enabling uploads for approval and downloads as needed.
